OFFICE OF THE SECRETARY OF DEFENSE

13 September 1972

Memo For Mr. George Carver, CIA

- Re the Symington inquiry concerning Phung Hoang.
- Attached FYI is a copy of the Defense reply. Hopefully, each of the points that you indicated needed correction or modification was satisfactorily addressed.
- Because of the peculiarly precise wording of the seven questions, the thought crossed my mind that someone might be scratching for a Vietnam-related campaign issue . . .
